Welcome to Express-Scripts.com

Express-Scripts.com is your online resource to manage your medications and prescription benefit plan, with many features that enable you to view potential lower-cost options, receive timely medication-related safety alerts and more.

When you visit Express-Scripts.com, you can log in or complete the one-time registration if you haven’t already done so.

Registration is quick and easy. Please have your Express Scripts member ID card handy – you’ll need your ID number.

Register on Express-Scripts.com

1. Go to Express-Scripts.com and select the “Create online account”
2. Complete the information below and you’re registered.

Registration is easy
Information you will need to complete registration can be found on your prescription drug ID card. To get the most from your online account, you’ll also need a prescription number to view your personalized information.*

**TRICARE Beneficiaries:** Do not complete the section below. Instead, please activate your account using our TRICARE Mail Order Activation process.

Tell us about yourself

- First name: 
- Last name: 
- Date of birth: 
- Gender: Male, Female
- Zip code: 

Provide your pharmacy benefit information

- Member ID number for subscriber ID: 
- Relationship to member: I am the member, I am not the member

Create your user ID and password

You will use the following information to log in when you return to the site.

- Your username: 
- Create a password: 
- Confirm password: 
- Your e-mail: 
- Confirm e-mail: 
- Password hint: 
- Enter a hint phrase: 
- For added security, provide a secret question and answer.
  - Secret question: Select a question from the list.
  - Answer: 

* Please note: A prescription number is not required to register on this site.

Already registered?
To access your account, log in now.

Tell us about yourself

- Enter your own information, unless you are an authorized representative for a Medco member and would like to register that person.

Member ID number

- Your member number is an important piece of information that helps us identify you and your prescription benefit plan guidelines.
- Your member ID number can be found on your prescription benefit card.
- To view examples of prescription benefit cards click here.

Password hint

- Please enter a short description of your password. If you forget your password, the information entered here will be supplied back to you as a hint to help you remember your password.
- For example, if your password is your cat’s name and its model year, you could enter “my cat + your” as your password hint.
- Please note: for your security, please do not enter your exact password as your password hint.
3. On the final page, you can set preferences, such as granting permission to share your prescription information with other adult members of your household (age 18 and older) covered under your prescription drug plan. You can do this now, or later in Account settings.

Please note:

- All covered adults (aged 18 and older) in the household need to register separately.
- When you grant permission to other registered household members, they can view your information, place orders on your behalf and more.
- Each adult who registers has the option to grant household view permission to all other registered adult household members to view each other’s information.

You are registered as: yourname@aol.com

When you log in next time, use your e-mail address and the password you created.

Share your prescription information

You can allow your spouse or domestic partner to view and order your prescriptions:
- Check this box to allow your covered spouse or domestic partner view your prescriptions and order on your behalf.

You can also share your profile with other adult members in your household. Check all who apply:
- Chris (D.O.B. 01/11/0000)
- Vanessa (D.O.B. 01/01/0000)

*Important note: The member(s) you select must also register with a prescription number to view and manage your prescription benefit. You can change these selections any time by visiting the "Update profile" section of this site.

Set your online account preferences

Select your preferred default language: English

Email communications

As part of your registration, you will automatically receive e-mail messages containing important information about your benefit plan, prescription status, order confirmations, shipment notifications, refill reminders for applicable medications, and online features and new services concerning your benefit plan. In addition, you will also be able to view drug names for your medications once you are logged in. Even if you currently do not have prescription information registered with our site, we have set the preference to display drug names for future reference.
Revising your online account information and preferences

1. If you are already registered and want to change any of your personal information, including your household view settings, log in to Express-Scripts.com and select “Manage Personal Information” from the drop-down menu under “My Account.”

   a. To update your personal information, select “Edit information,” enter your recent information, and select “submit changes.”
b. To change your household view settings, select “Edit preferences,” change your household view settings and, select “submit changes.”
