Open for Business

Construction is finished, staff is in place and the ribbon has been cut! Everything is ready for our new member Wellness Center to start seeing patients on **Sept. 11**. Comprehensive health services will dramatically cut costs to our benefits plan, plus give members and their families better service than what they could get elsewhere. Construction on the Kansas City Wellness Center begins soon.

Labor Day

If you're marching in the big St. Louis Labor Day parade, we will be lining up in downtown starting at **7am on Monday**. **Carpenters should gather**

at Olive and 18th Street.

In Belleville, festivities kick off at **10am** and once again our Metro East brothers & sisters will be handing out these beautiful handcrafted rocking horses to some kids lucky enough to take one home. *(Pictured: Bill Dill, Kirk Coughlin, Brandon Kuhl, Chris Rakers, Klayton Owens, Logan Roche Jr., Devan Cobb, Omar Abdullah, Alex Gromada, Not pictured – Dale Cresswell)*

Wherever you'll be celebrating, enjoy the day and thank you for all you do.

Land of Lincoln

The state of Illinois has formed a new **Worker Protection Unit** to shield workers from wage theft and other unlawful employment practices. *"When Illinoisans put in a hard day's work, they deserve to be compensated fairly and treated with dignity,"* said Gov. JB Pritzker. The new unit gives the attorney general authority to investigate and file suit against violators of the Prevailing Wage Act.

On a Mission

Across the UBC our efforts to stop payroll misclassification and tax fraud are having an impact. More states are signing agreements, sharing data and conducting investigations of bad actors working in the construction industry.
