## TRAINING

### ICRA

We can't afford to lose. It's that simple. The Carpenters Regional Council has the ability to train its members with a skill no one else has - yet. Our union is leading the way developing new innovative training and techniques that teach our membership how to reduce contamination while working on expansion and renovation projects in busy hospitals and other healthcare facilities. Become a part of the growing healthcare construction boom. [info@carpdc.org](mailto:info@carpdc.org).

New ICRA Best Practices in Health Care - 24 Hour Qualification classes have been posted to [carpdc.org](http://carpdc.org)

### UBC LEADERSHIP

Carpenters leadership training gives our members the communications, coaching and mentoring skills we need to carry our union into the future. Held at the UBC's International Training Center in Las Vegas, these comprehensive courses have already helped thousands of carpenters learn practical on-the-job tips. [Learn more here](#) and spread the word.

## AVAILABLE TRAINING CLASSES

On May 1, 2017, the new Safety Training Requirement changes went into effect. On May 1, 2019, we will enter the third year since the changes. This is a reminder to check your "Safety Training" "Met Through Date" on your [carpdc.org](http://carpdc.org) account.

If you have not taken any Safety or Technical training since May 1, 2017, as of May 1, 2020, you will "Not Have Met" your training requirement per the guidelines of our collective bargaining agreement. **Please refer to the "Around the CRC" weekly update and [carpdc.org](http://carpdc.org) for training class schedules and locations.**

Thank you for maintaining your Safety Training Requirement and continuing to be the most productive, highest quality and safest workers in the construction industry.
