To make an appointment for the mammogram van in St. Louis for September 28, call Siteman Mobile Mammography scheduling at 800.600.3606.

Kansas City

Health Fair: The Kansas City Health Fair was an overwhelming success! [Check out event photos on our Facebook page.](#)

Mammogram Van: The DIC-KC mammogram van will be in Kansas City on November 22. To schedule a mammogram on the Kansas City van, call 816.444.9989.

National Mesothelioma Awareness Day

Local workers concerned about upcoming asbestos work at the Jefferson Arms building in downtown St. Louis held a rally at St. Louis City Hall today. Workers are concerned that the work could put workers and the surrounding community at risk for **Mesothelioma**.

“We are standing in solidarity with the Laborers,” said Al Bond, EST. “This work should be done by trained workers. If the developer fails to perform the asbestos work safely the entire building can be contaminated for workers in the construction phase which puts them at risk.”

[Read the Press Release](#)

No Surprise Here

Where are the worst places for workers in America? Not surprisingly, they're all **"Right to Work" states**. An Oxfam America report reveals that the ten worst states to work in include Louisiana, Tennessee and North Dakota, while the 10 best states for workers are all non-Right to Work states.

We the People

Labor unions have been - and always will be - a cornerstone of American democracy. As this **thoughtful piece points out**, when unions die, democracy dies with it. *"Giving ordinary Americans a say over how their workplaces are governed is just as fundamental to democracy as giving them the ballot."*

Our Sisters

The number of women getting into the construction industry **continues to rise**. Some are finding it too hard to make ends meet in today's economy, while others are following a lifelong passion for building things. Whatever the reason, our sisters are becoming a more familiar site on the job.

Awarded : This past week, MOWIT honored the many dedicated (and often unsung) women working in the trades. Congrats to Cindy Frank (Tradeswoman of the Year) and Lynda Mueller-Drendel (Advocate of the Year.) Pictured: Mueller-Drendel, MOWIT president Beth Barton and Frank.

On the Job: On Tuesday, Keith Taylor, Director of Organizing, Todd Hake, Director of Jurisdiction and Larry Schallom, Business Representative, held a jobsite luncheon for the carpenters building the Boland Place Apartments in Richmond Heights. Keith Taylor discussed the value of carpenters building our communities, our union strong membership, market share and the new Carpenters Wellness Center. Boland Place Apartments is a Impact Strategies project; Superintendent, Frank Malone. Impact Strategies and Henges Interiors Flooring Insulation attended the luncheon.

Carpenters Wellness Center NOW OPEN!

Wellness Center Tours are available on Saturday at the Health Fair. Come check out your new space!

Call now to visit our new facility.

314.955.WELL (9355)

Can you remember the days of old when your physician felt like part of your family because they truly cared that much? The Cerner Care model is for patients (our members) to spend as little time as possible in the waiting room and a good length of time with the physician. Your physician will get to know you, your family, to celebrate your milestones and work with you when you need extra help. Having multiple services in-house at the Wellness Center allows for the physician to refer to trusted care providers when necessary.

MEET YOUR CERNER CARE TEAM MEMBERS!

Continue to meet the team members who are so excited to serve you each week! Don't forget! The St. Louis Health Fair will include tours of the new Wellness Center. The Care Team will all be there, ready to meet you and your families while on your tour!

WELCOME

Dr. Christopher Schrick, DO

Missouri native, received his bachelor's degree in biology from the University of Missouri-St. Louis and Doctorate in optometry from the Illinois College of Optometry in Chicago, IL. Dr. Schrick has been serving patients all across the St. Louis area for almost 20 years now. Dr. Schrick is looking forward to serving the Carpenters Vision Center Union for years to come.

When not seeing patients Dr. Schrick enjoys spending time with his wife and two daughters, cooking, and fishing. In the fall you can often find him cheering on his favorite NFL team, the Dallas Cowboys.

Kelly Eftink, FNP

Nurse Practitioner

Kelly received her undergraduate nursing degree from University of Missouri-Columbia in 1997, and her graduate nurse practitioner degree from University of Missouri-St. Louis in 2012.

- Kelly is a board-certified family nurse practitioner and has been practicing for almost 7 years. She has experience in primary care and pain management, and has a special interest in wellness promotion and disease prevention.
- Prior to becoming a nurse practitioner, she practiced as a registered nurse in various inpatient and outpatient settings for 15 years.
- In her free time, Kelly enjoys a variety of outdoor activities including running, boating, camping, traveling with her husband and 3 kids.

TRAINING

ICRA

We can't afford to lose. It's that simple. The Carpenters Regional Council has the ability to train its members with a

UBC LEADERSHIP

Carpenters leadership training gives our members the communications, coaching and mentoring skills we need to carry our union into the future. Held at the UBC's International Training Center in Las Vegas, these comprehensive courses have already helped thousands of carpenters learn practical on-the-job

skill no one else has - yet. Our union is leading the way developing new innovative training and techniques that teach our membership how to reduce contamination while working on expansion and renovation projects in busy hospitals and other healthcare facilities. Become a part of the growing healthcare construction boom.
info@carpdc.org.

New **ICRA Best Practices in Health Care - 24 Hour Qualification** classes have been posted to carpdc.org

Please register for these classes by following the instructions for the ICRA classes in your area.

tips. [Learn more here](#) and spread the word.

AVAILABLE TRAINING CLASSES

On May 1, 2017, the new Safety Training Requirement changes went into effect. On May 1, 2019, we will enter the third year since the changes. This is a reminder to check your "Safety Training" "Met Through Date" on your carpdc.org account.

If you have not taken any Safety or Technical training since May 1, 2017, as of May 1, 2020, you will "Not Have Met" your training requirement per the guidelines of our collective bargaining agreement. **Please refer to the "Around the CRC" weekly update and carpdc.org for training class schedules and locations.**

Thank you for maintaining your Safety Training Requirement and continuing to be the most productive, highest quality and safest workers in the construction industry.

Walk-On Safety Classes St. Louis **October Schedule**

To register for these classes, please call 314.644.4802, ext. 4
